5.b. 2018-2 Cost of Living Adjustments for Retirees

The Committee recessed at 6:49 p.m. to reconvene the Town Council special meeting. The Committee of the Whole meeting was reconvened at 6:51 p.m.

Matt Sicilia of TPS Group was asked to provide an analysis of COLAs for retirees. Mr. Sicilia distributed information to the Town Council. Mr. Sicilia explained that his analysis is based on a 6.5% interest rate rather than the Hooker and Holcombe assumption of 7.5%. Mr. Sicilia reviewed his analysis in detail.

Cindy Landry, Director of Finance, explained that the actuary has recommended that the rate be reduced. The Retirement Board is aware of the recommendation and is trying to bring it down incrementally.

Mr. Sicilia responded to questions from Councilors. Ms. Landry noted that interest rate adjustments are made by the Retirement Board. Her personal recommendation would be to reduce the rate not more than a quarter of a percent at a time.

DISCUSSED

5.c. 2018-3 Retirement Plan Options

Matt Sicilia of TPS Group was asked to provide an analysis of retirement plan designs. He reviewed the information which was distributed to the Council during the discussion of COLAs for retirees. Two plan designs were presented that include both defined benefits and defined contributions. The objectives are more consistent budget figures, reducing risk and volatility, and cost containment. Mr. Sicilia explained a traditional annuity plan and cash balance plan.

Mr. Sicilia responded to questions from Councilors. Town Manager Burt noted that whatever plan the Council chooses it must be robust enough to negotiate with the unions. New options would only affect new employees. Existing employees would have the option of joining the new plan.

The consensus of the Committee was to have staff explore the options presented. Mr. Sicilia distributed a cash balance plan presentation and annual benefit statement to Councilors for information purposes.

Mayor Granatosky thanked Mr. Sicilia for his presentation.

5.d. 2018-4 Request to Fill Financial Assistant II Position in Finance (Payroll)

The committee recessed at 7:56 p.m. and reconvened at 8:02 p.m.

Cindy Landry, Director of Finance, noted the retirement of a Financial Assistant II. The position's primary duties are payroll and pension processing, and many other duties within the department including revenue collection. Justification was provided to the Council.

The Town Manager and Town staff met with Board of Education representatives about combining payroll operations. There is no ability for the Board of Education to take over the duties of the Town's position. The Town Manager recommended filling this position.

The Council had no objection to filling the position.

APPROVED

5.e. 2018-5 Request to Fill Municipal Video Technician Position in Library

Town Manager Burt noted that the GMTV Technician is leaving the position. Two people handle videotaping of all of the meetings and other GMTV productions. Staff has discussed the impacts of eliminating the position and feels the position should be filled.

The consensus of the Council was to fill the position.

APPROVED

5.f. 2018-6 Calvin Burrows Field Fees

Mark Berry, Director of Parks and Recreation, explained that Parks and Recreation

implemented tournament fees for Little League to cover utility costs and field improvements. The policy was developed a year ago as the result of a Lacrosse tournament and unanswered questions. The policy was approved by the Parks and Recreation Commission in February.

John Grossman, representing Groton Little League, complimented Parks and Recreation. As a group, Groton Little League put field lights up at a cost of \$100,000. They offered to host a tournament in the middle of July. Mr. Grossman asked that the fee be waived for the tournament. Money raised by the league goes for scholarships and capital improvements for the field.

Mr. Berry noted that the original fee of \$1,800 was reduced to \$635 for Groton Little League.

Mr. Berry and Mr. Grossman answered questions from Councilors. Councilors expressed their positions on the waiver of the fees. Town Manager Burt stated that the Town Council has the ultimate authority on fees.

MOTION: To waive the fees for the Groton Little League for 2018.

5.g. 2018-7 Adoption of An Ordinance to Establish Hours of Operations for B.Y.O.B. Establishments

The Town Manager noted that the 11:00 a.m. to 11:00 p.m. timeframe was a placeholder so he would suggest changing the ordinance language to 10:00 a.m. to 11:00 p.m. to address a brunch held by a local establishment.

Councilor Atwater questioned liability for establishments and Town Attorney Eileen Duggan stated that liability only applies when the establishment is serving the alcohol. In response to Councilor Obrey, it was noted that the ordinance would be enforced through the Police Department. Councilor Obrey asked if the ordinance would apply to fundraising events at churches. Town Attorney Duggan stated it would not be a concern, but she will get back to the Town Manager if it is an issue.

A motion was made by Councilor Zeppieri, seconded by Councilor Parker, to amend the ordinance, Section 4.a., to read "No alcoholic liquor may be consumed on the premises of such BYOB Establishments between the hours of 11:00 p.m. and 10:00 a.m."

Discussion followed on the applicability of the ordinance to churches.

Town Manager Burt recommended removing section 4.b. of the ordinance regarding gambling at BYOB establishments.

Councilor Franco expressed concern with events such as weddings held at various public/community facilities. She suggested moving the time to midnight.

A motion was made by Councilor Franco, seconded by Councilor Zeppieri, to amend the ordinance, Section 4.a. to read "...between 12:00 midnight and 10:00 a.m."

A motion was made by Councilor Zeppieri, seconded by Councilor Parker to add a section, 4.f. to exempt charitable and religious organizations if they host no more than six events per year.

Discussion followed on the various proposed modifications to the ordinance. Town Manager Burt noted the ordinance can be amended at the Town Council meeting since the changes have been discussed by the Committee of the Whole. Councilor Franco asked for clarification on the fines, and Town Manager Burt explained that fines can be applied to either an individual or an entity as defined in the ordinance. Councilor Heede asked for input from the Chief of Police on the proposed changes.

A motion was made by Councilor Heede, seconded by Councilor Parker to postpone action on the motions to a definite time, specifically the next Committee of the Whole meeting on July 10, 2018.

The motion carried unanimously.
